

Are you passionate about connecting communities to healthy and accessible food choices?

Massey Matters has been working in the Massey community since 2006. Our Vision: Massey | A thriving place to live, work, play and grow. Our Mission: to create opportunities through connections and partnerships between residents, tangata whenua, community, groups, organisations and agencies. We have recently received funding towards the Massey Food Hub Project and are looking to fill a contract role with a lead-coordinator to activate this exciting project.

Massey Food Hub Project Coordinator. Fixed Term Contracted

Thanks to Foundation North we are excited to offer this role as a fixed term contracted role for 8 – 10 hours per week. The successful candidate will be a connector responsible for building collaborative opportunities between community gardens, groups, foodbanks and the residents of Massey. They will develop and roll out community consultation and research, including management of a volunteer team to assist with consultation. They will also develop a long term plan for sustainability for the Massey Food Hub Project, including fundraising and funding options to grow the project into its full potential. We are looking for someone with the capabilities to develop and implement community led projects and initiatives as well as to oversee administration, evaluation and reporting tasks required. Experience in developing strong volunteer teams able to lead development in their own communities is an asset, strong communication skills and knowledge of local gardening and food sustainability networks may be an advantage.

All roles at Massey Matters are fixed term contracts. The hourly rate for this role is \$25.

Massey Matters is currently in the process of a rebrand to reflect the creativity and passion we work with. This is your opportunity to join an organisation committed to creative a positive impact on the community it serves, with the chance to make this role shine with your own skills and innovation.
