

Invitation to workshop on Auckland's local alcohol policy

Auckland Council is currently developing a Local Alcohol Policy (LAP) to regulate the sale, supply and consumption of alcohol across Auckland.

Council staff have developed some initial recommendations for the draft LAP and would like to invite you to a workshop to hear your feedback. Your input will help shape the draft LAP. You will also get an opportunity to make a formal submission on the draft policy when it's released for public consultation in February 2014. Please see attached document for more details.

This invitation has been extended to you as your details were provided to us by council staff, your local board or because you attended one of our previous engagement workshops. The workshops are open to the community, however, we do ask you to please register as outlined below.

To register for this workshop, [please click here](#).

Meeting details

The workshop will be two hours long and light catering will be provided. Additional information will be sent to you once you have completed your registration.
