

Are you on a benefit?

Meeting your obligations:

- » May be appropriate for relevant clients, e.g. those with part-time work obligations or those who, by completing the qualification/course, will improve their potential to gain employment.
- » Employment Module includes CVs, Job Search, Interview skills, Career Plan etc.
- » Solomon Group can provide Work and Income with your attendance statistics and progress on a regular basis to demonstrate that you are meeting your obligations. Course is flexible to allow you time to meet with your Case Manager or attend seminars as required by them.
- » If clients gain employment during the course we work with you to transition to that employment and find innovative ways to complete the qualification at the same time Eg: Workplace Assessment.

"My kids are more enthusiastic about going to school because I'm going to school"
